

1999/2000 HBRR Program

Approved Barrier Rail Replacement Projects not yet authorized for Construction

Special Notes:

- 1) The purpose of this list is to show which projects have met the eligibility requirements of State and Federal statutes and policies and have been approved by Caltrans for funding under the HBRR Program. This list also represents a commitment on the part of the Applicant (Local Agency) to deliver the listed projects in a timely manner according to the HBRR Program Guidelines and the Local Programs Procedure Manual.
- 2) Reserved Fed \$ are funds reserved for the project. However, these funds are not guaranteed amounts. The reserved funds are based on rough estimates provided by local agencies. Guaranteed funding levels are determined at time of authorization for given phase of work.
- 3) Federal \$ Obligated represents actual authorized funds to proceed with work on a given phase of work.
- 4) Corrections to this report should be addressed to the District Local Assistance Engineer who will forward info to HQ-Sacramento.

THIS BRIDGE CURRENTLY HAS WIDTH PROBLEMS THAT IS MAKING IT DIFFICULT TO FIT WITHIN THE EXISTING STANDARDS, AND AS WELL, DIFFICULT TO JUSTIFY A DESIGN EXCEPTION. IT DOES NOT QUALIFY FOR EITHER A REHABILITATION OR REPLACEMENT PROJECT AT THIS TIME. HOWEVER, SAN JOAQUIN COUNTY FEELS IT HAS A HIGH POTENTIAL FOR ACCIDENTS AND WOULD PREFER TO USE THIS BRIDGE AS THEIR SPECIAL BRIDGE PROJECT.
